## IT'S NOT YOUR HEART: IT'S YOUR KIDNEYS

Kidney disease is no respecter of persons. A majority of the ill-afflicted people today can be traced back to the kidney trouble.

The kidneys are the most important organs of the body. They are the filters of your blood. If the poisons which are swept from the tissues by the blood are not eliminated through the kidneys, disease of one form or another will claim you as a victim.

Kidney disease is usually indicated by weakness, sleeplessness, nervousness, despondency, backache, stomach trouble, pain in joints and lower abdomen, gall stones, gravel, rheumatism, sciatica and lumbago.

All these derangements are nature's

## GIRL ESCAPES FROM BANDITS

Was Held for Ransom by Smugglers on a Lonely Island.

## CAPTIVE FOR 12 YEARS

Distress Signal Answered by Small Fishing Vessel Off Texas Coast—Succeeds in Reaching Mainland.

Rockport, Tex.—Being kept on a lonely island for more than twelve years by a gang of bandits or smugglers, who hoped to secure a large ransom from relatives for her release, and only making her escape through an act of fate, is the remarkable experience of a young woman just budding into womanhood who has arrived at Rockport, Tex. The young girl knows nothing of herself or relatives other than she answered to the name of "Nellie" for several years.

"Nellie" came to the mainland from one of the five small islands lying five miles off the coast, in a small fishing vessel which saw her signal of distress. She had been on the island alone for two days following the death of an old negro woman who constantly guarded her.

Lived in House Made of Rocks. The girl said the greater part of the time she was on the island she lived with the negro woman in a house made of rocks. "Nellie" declared her old jailer never beat her but once, and that was when she asked if there were other bearded men and black women on ships which sometimes passed in sight, and why they could not go away to some other house on one of the ships.

According to the strange story related by the girl, the bandits contemplated taking her to South America, where she said they could get lots of money for her. "Nellie" said the men had a large sailing boat. The bandits never sailed toward the Texan coast, she

said, but went down the bay in the direction of Mexico. At one time, long ago, when she was but a little girl, the bandits brought another man to the island, she said. "Nellie" can remember them drinking and singing and playing cards. The next day, she said, the strange man was carried away dead.

Will Explore Islands. "Nellie" is a pretty girl. Her hair is brown, and her bright, snappy eyes are hazel. From her general appearance the people of Rockport believe she must be of Spanish descent.

A party has been organized to explore the rock house on the island and to trap the bandits, with a view of forcing them to tell something of the little girl, that she may be returned to her parents or relatives.

## CLIPS OFF WOMAN'S HAIR

But Intruder Leaves Tresses Behind—Also Steals \$20 Without Waking Couple.

Passaic, N. J.—Mrs. William Hawthorne, forty years old, of 422 Harrison street, reported to the police that during the night a thief had entered her bedroom and clipped off her long, golden hair. So quietly did the thief go about his work that he not only did not arouse Mrs. Hawthorne, but was not heard by her husband, in an adjoining room, nor by two children in another room near by.

The police found marks which indicated that the thief had used a jimmy on the kitchen window. They also found a pair of scissors. Mrs. Hawthorne said she believed she had been chloroformed, as when she awoke she felt sick. The thief also took \$20 which was in a tin box, but evidently he had no use for the hair after clipping it, as it was found alongside the empty money box by Mrs. Hawthorne.

## DANDRUFF MAKES HAIR FALL OUT

A small bottle of "Danderine" keeps hair thick, strong, beautiful.

Girls! Try this! Doubles beauty of your hair in a few moments.

Within ten minutes after an application of Danderine you can not find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use, when you see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance.

Get a small bottle of Knowlton's Danderine for a few cents at any drug store or toilet counter, and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that's all—you surely can have beautiful hair and lots of it if you will just try a little Danderine.—Adv.
